SUMMARY

A customer-oriented Computer Engineering student with **3+ years** of experience in Software Development and IT support. A collaborative problem-solver with a proven ability to mentor and communicate effectively, demonstrated by assisting over **1,000** students in Computer Science courses. Passionate about leveraging technical skills to solve practical problems, enhance user experience, and create seamless development environments.

SKILLS

Software: Web Development, AI, Cloud
Tools: Unix, Git, Docker, MS Office, Power Platform
Frameworks: Node.js, Express, Svelte, Flutter, Spring
Languages: JavaScript, Java, Python, SQL, Rust, C

Other skills:

Cloud AI Infrastructure, IT support (Google)
IT and Cloud Fundamentals (IBM)
Project Management, 5G Mobile Networks

EXPERIENCE

Operation Technician - *Hawk-Eye Innovations*   **06/2025 - Current**

- Setting up and troubleshooting hardware for live UEFA football matches tracking
- Launching and monitoring GLT, Optical tracking and VAR software
- *Skills:* Hardware, MS 365, networking, management
- *Achievement:* Promoted to be Team Leader, manage on-site activities

Teaching Assistant - *Aalto University*   **08/2022 - 05/2025**

- Assisting with courses on *OpenCS* and *A+* with grading assignments, exams and projects
- Supporting students with setting up the environment, project structures, algorithms and debugging code
- *Skills:* NodeJS, React, Svelte, Flutter, API, PostgreSQL, MongoDB, AI
- *Achievement:* Successfully migrated students to the *new platform* for studying CS

Student Representative - *Aalto University*   **01/2024 - 06/2024**

- Assisting in the selection of lecturers for the Language Department
- Attending demo teaching and debating for the students benefits in the Board

EDUCATION

Bachelor Of Science, Computer Engineering - *Aalto University*   **06/2027**
Bachelor Of Engineering, Control and Automation - *Ho Chi Minh University of Technology*   **06/2021**
High School Diploma, Major in Mathematics - *Tien Giang Highschool For The Gifted*   **06/2018**
